Mrs. Ethel J. Hunt
City Recorder
City of Elgin
Elgin, Oregon 97827

Dear Mrs. Hunt:

Refer to your letter of March 13 concerning street section along the highway through the City of Elgin.

We will have someone make an estimate of cost for construction of the street section after which we will need to have a letter from the City stating that they will pay at least 25 percent of the cost. This will then be presented to our Highway Commission in Salem to determine whether or not funds are available from the Highway Department.

Very truly yours,

A. F. Parson
Division Engineer
